

Dec. 5, 1980

Dear Mom & Dad,

Four of your packages have arrived, and when she sees one. She gave her another one of those Christmas candy calendars, which she gets to open each day.

Tonight we are going out for P.izza. If Mike gets home in time he's going with us, otherwise

party for some other Congresspeople,
and then of course move. Marnie
and Diane Helbrach want to take
me and Diane out to lunch, and
I'd like to have the neighbors
over for lunch before we leave.
I hope I get it all done.

Mike just called, and he
is going to meet us at the Pizze
place.

Love,
Mary
